

There are different ways to volunteer your time to the Salinas Asian Festival. The festival is a community event and we want to have everyone participate in this event to show their support for community.

Do you want to be a part of this huge community event? We welcome volunteers to help with in the community and in your neighborhood. Do you have an idea for an event? Handing out flyers for the festival at school, work, or your neighborhood will help to inform people. We will provide training for all of the volunteers.

For any questions or comments about how, when, and where you can help out your local community or even just to tell us about your Salinas Asian Festival experience, please [contact the Festival Committee](#)
